

One of the best things about being an AETA member are the incredible **BENEFITS** we provide you.

**INSURANCE** is one of the most frequently-asked-for benefits.

---

Now, **for the first time**, the AETA board of directors is proud to make available to you and your employees, an incredible insurance program. It is brought to you by Assurant, one of the largest providers of employee benefits in the United States. They specialize in helping small and mid-size businesses maximize their benefit investment without sacrificing quality. This means small to mid-size companies can enjoy plan flexibility generally reserved for large corporations.

Assurant is able to provide customized enrollment materials for each benefit eligible employee. These products can be paid for by the employee or you. The plans you can choose from include:

- ★ Dental
- ★ Prepaid/DHMO Dental
- ★ Life
- ★ Disability
- ★ Accident
- ★ Critical Illness
- ★ Cancer
- ★ Gap
- ★ Vision

Representatives from Assurant will be on hand to meet with you at the AETA INTERNATIONAL Trade Show booth from January 28 – 30, 2012. There is no cost to introduce you to these products or to be able to offer your employees such great benefits. A copy of the Voluntary Worksite Benefits fact sheet will be available for you.

If you have any questions about this new insurance program, please call the AETA office at **610-444-2025** or email **info@aeta.us**, where someone will direct you to the correct representative.

Sincerely,

*Anthony Coppola, AETA President, 2011*

*John Craven, AETA President, 2012*
